POST KONKRET BEWEGT II / III

A thoroughly exciting exhibition. Art prints and the immersive works - Post Konkret II and III - were shown here. The fine-art prints are exported from the digital artwork as vector data, so works can be produced at any size. Thanks to the interested visitors, and especially to the three performance dancers, who took genuine delight in the 3D scanner and the interactive art.

Many warm thanks to Wolfgang, Kai and the kind, welcoming team at the Artothek.
