In breve

What a wonderful church - a spiritual atmosphere!

Contesto

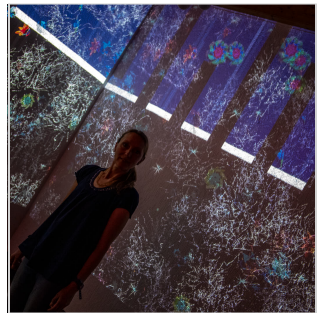

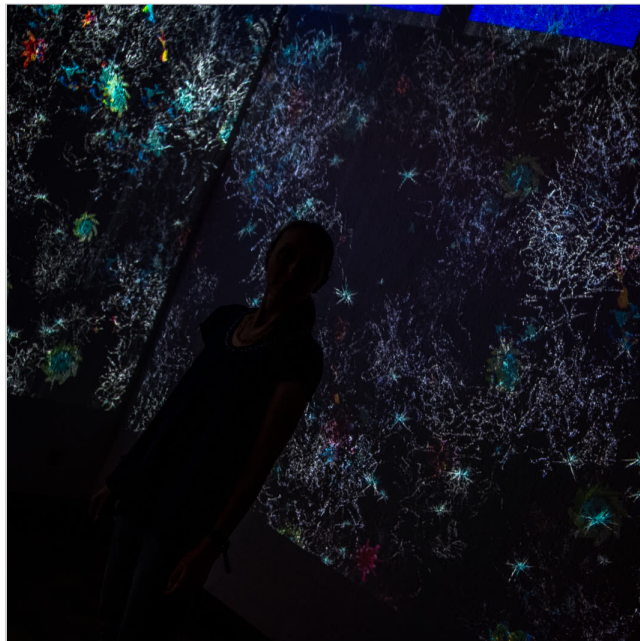

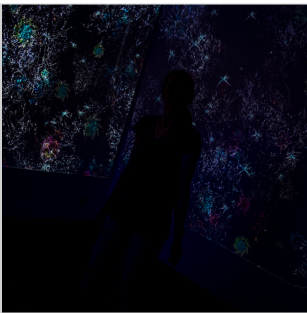

What a wonderful church and what a spiritual atmosphere! A fine sermon and many willing helpers. Many thanks to the team from the Kukloch, and equally to the KoproduktionsLabor at the Dortmunder U for adding to our stock of projectors.

On show were the immersive installation Dornenstaub and the painting series Verlust. Here, in this very beautiful church, these two connected bodies of work held a particular magic.

Many thanks to the warm-hearted guests who joined in and to the attentive, sensitive visitors. Exciting new perspectives and lively conversations about art.
